

# EDWARDS JR. SANITATION Holiday & Recycling Schedule | 2024

If your service day is highlighted yellow, it is on a holiday that we are closed, and you will be serviced the following day. If your service day is highlighted blue, you will also be serviced one day behind your normal service day. (Ex. Monday customers will be serviced Tuesday, Tuesday customers will be serviced Wednesday, and so on.) Our crew works in the early hours of the day, and we require containers to be out for service the night before your service day to assure you don't miss them. In the event of inclement weather, we will begin operating as soon as we can assure safe road conditions and we also could begin our route early to accommodate bad weather headed our way, so we ask that customers leave the container out for service as normal and follow our Facebook Page for updates. Please visit our website for the most up to date Holiday Schedule as Landfill closures are subject to changing throughout the year. \*\*Please note we will operate on some Holidays due to Landfill availability.
